WE'RE PASSIONATE ABOUT OUR FOOD
We approach our products with old-world sensibilities, making each order by hand for the customer who ordered it. Every morning we start dough, white sauce, shredded cheese, and chop vegetables. You will find employees perfecting the art of pizza making in our stores daily, which takes hundreds of pies to master. There are no machines involved and each one is a reflection of the person making it. Some call this old-fashioned, we call it personal.
