WE'RE *passionate* ABOUT OUR FOOD.

We approach our products with old-world sensibilities, making each order by hand for the customer who ordered it. Every morning we roll dough, whisk sauce, shred cheese, and chop vegetables. You will find employees perfecting the art of pizza making in our stores daily, which takes hundreds of pies to master. There are no machines involved and each one is a reflection of the person making it. We do not enter orders into a computer. We write each detail on paper. Some call this old-fashioned. We call it personal.

You can order online at Dions.com for takeout or dine-in. Carry-out catering menus also available.
