WE'RE passionate ABOUT OUR FOOD

We approach our products with old-world sensibilities, making each order by hand for the customer who orders it. Every morning we roll dough, white sauce, meat sauce, and chop vegetables. You will find employees perfecting the art of pizza making in our stores daily, which takes hundreds of pies to master. There are no machines involved and each one is a reflection of the people making it. Some call this old-fashioned, we call it personal.
