When it’s your turn to cook.

You can order online at Dions.com for takeout or dine-in, or order via the app.

WE'RE PASSIONATE ABOUT OUR FOOD.

We approach our products with old-world sensibilities, making each order by hand for the customer who ordered it. Every morning we roll dough, whisk sauces, shred cheese, and chop vegetables. You will find employees perfecting the art of pizza making in our stores daily, which takes hundreds of hours to master. There are no machines involved and each one is a reflection of the person making it. Some call it old-fashioned. We call it personal.
